

PROJEKT203

The Slovak electro-pop band Projekt203 led by author and producer Ondrej Pešek was established in 1999. It started to work around 2015 in the lineup of Sissi Enns, Ondrej Pešek and Marcel Orth. They have performed many times in music clubs and festivals. Projekt203 makes electronic music of its own style into which it embeds elements of different musical styles (Electropop, EBM, Aggrotech ...). Their performances are accompanied by a video projection. Nowadays they are presented on stages in a two-member line-up:

Sissi Enns - solo singing, arrangements

Ondrej Pešek - producer, author of music and lyrics, singing

Formation Projekt203 releases official recordings under the label TC Lemons. In 2018 debut album "Virus", in 2019 EP "Inappropriate Content" and selection compilation called "Replay 2000-2016" in which they map work since the beginning of project. Projekt203 appears regularly in various selection compilations.
